## **THE WEBMASTER**

# **MARK FUNDERBURG**

The West Texas Track Club would like to recognize Mr. Mark Funderburg. He is a graduate of The University of Texas of the Permian Basin where he obtained a Computer Science Degree. Mark has been a supporter of youth sports for several years, and this year single handedly created a web site for the track club. What a relief it is to have a website where people can conveniently register online. Mark has been a great asset to our club and we are fortunate to have him helping West Texas youth.

***Thank You Mark and we appreciate all you do for us.***
